Caci Non Surgical Facial Treatments

Caci is a results driven, super effective muscle lifting treatment. It uses microrcurrent to lift and tighten the muscles of the face, improving lines and wrinkles. We include the incredibly popular Caci Jowl lift as standard for all our Caci clients. This is an extra that will benefit all clients. These facials are best as a course of 10 taken twice a week, then monthly for maintenance.

CACI Signature Non-Surgical Facial Toning 60 mins £55, course of 10 £480

CACI's signature Non-Surgical Facial Toning is an advanced non-invasive facial. Microcurrent impulses will lift and tone the facial muscles and the neck area, whilst improving skin elasticity and reducing the appearance of fine lines and wrinkles. This gives a more youthful, fresh appearance and glow.

Synergy Non-Surgical Facial Toning 90 mins £95, Course of 10 £800

This facial combines our signature Non-Surgical facial toning with the skin rejuvenation benefits of both our Ultra and Ultimate treatments. It also introduces our breakthrough S.P.E.D™ Microcurrent LED Technology which uses light therapy to enhance results providing the very best in CACI Non-Surgical Facial Toning. Ultrasonic peeling and orbital microdermabrasion are used to exfoliate leaving a brighter, smoother complexion. Microcurrent impulses combined with LED light therapy will then lift and tone the face and neck, followed by CACI's unique Wrinkle Comb to target fine lines and wrinkles. After a course of treatments you can expect to see a more youthful and toned appearance with glowing, healthy skin.

CACI Hydratone Facial 70 mins £65, course of 10 £550

The Hydratone Facial is a deeply nourishing treatment that hydrates and tones. It combines microcurrent rollers (which help restore muscle tone and firmness) with the Hydro Mask. The Hydro Mask is infused with collagen, hyaluronic acid and rose water to deeply nourish and deliver a surge of moisture to the skin that will soothe and calm any skin redness and irritation (great for a special occasion and as maintenance after completing course of 10).

CACI Jowl Lift Treatment 30 mins £33

This specialist treatment targets loose skin and sagging muscles around the jawline. Designed to lift, firm and redefine the facial contours it gives a more firm and toned appearance to jowls and jawline.

CACI Eye Revive Treatment 30 mins £33

Serum-filled microcurrent rollers combine with a deeply nourishing Hydro Eye Mask to lift hooded eye lids, reduce puffiness and soften the appearance of fine lines and wrinkles around the eyes.

Million Dollar Facial Treatments

Caci is a results driven, super effective muscle lifting treatment. It uses microrcurrent to lift and tighten the muscles of the face, improving lines and wrinkles. We include the incredibly popular Caci Jowl lift as standard for all our Caci clients. This is an extra that will benefit all clients. These facials are best as a course of 10 taken twice a week, then monthly for maintenance.

Million Dollar Facial
60 mins £100
(75 mins if including full skin consultation and Homecare Prescription)

A luxurious facial where science meets indulgence.

Working your skin from the outside in, this treatment has been designed to deeply exfoliate dead skin cells and remove nonterminal hair, polish the skin, flush toxins, increase and stimulate our natural collagen and cell turnover. This method will heavily increase the absorption of any active ingredients by 80% as opposed to 8%, therefore we use our Million Dollar mask for maximum results. Our Million-dollar facial treatment is a 10-step unique protocol which includes dermaplaning, skin needling and lymphatic drainage massage. The Million Dollar facial like all of our Million Dollar protocols is performed with our Million Dollar professional range of specifically designed, clinically proven and protected products.

It is the epitome of luxury with MILLION DOLLAR© results.

Million Dollar Dermaplane
45 mins £50

Million Dollar Dermaplaning is a manual exfoliation cosmetic procedure that gently abrades the top layers of the skin using a surgical blade with our industry leading Million Dollar professional skin care products. The procedure aims to increase the absorption of skincare /topical products and diminish fine lines and wrinkles. The treatment stimulates collagen synthesis and creates a healthy glow and a radiant complexion. Dermaplane aims to make your skins surface smooth, youthful and radiant. It is also used to remove "peach fuzz" the short soft vellus nonterminal hair from your face. Dermaplaning removes up to 3 x times more dead skin cells than a microdermabrasion treatment.

iS Clinical - Results Driven Treatments

Experience the luxury treatment of iS Clinical To support our extensive range of skincare products, we have a selection of treatments to optimise skin health. Each one designed to target a different skin concern. From our celebrity favourite Fire & Ice treatment.

Luxe Fire & Ice Resurfacing Treatment with LED - Anti Ageing, Hydrating 60 mins £200

Pioneered in Beverly Hills and coveted by A listers globally, this intensive treatment is clinically formulated with the purest pharmaceutical grade ingredients and designed to rapidly and safely resurface the skin, reduce fine lines, address problematic skin and encourage cellular renewal. The treatment encompasses two professional treatment masques featuring Sugar Cane Extract (Glycolic Acid), Retinol (Vitamin A) & Niacinamide (Vitamin B3) whilst the Rejuvenating Masque, formulated with potent antioxidants, (Hyaluronic Acid), Aloe Vera, Green Tea & Rosemary Extract, soothes, hydrates and nourishes. Complemented by a unique combination of cosmeceutical serums & cremes to guarantee one of the most effective results driven zero downtime facials your clients will ever experience. The treatment is finished with Deesse Pro which stimulates natural cellular responses. These responses lead to skin rejuvenation and improvement of common problematic skin conditions.

Fire & Ice Resurfacing Treatment - Anti Ageing, Hydrating 45 mins £80

iS Clinical Fire & Ice is a results led intensive clinical treatment, combining glycolic acid with retinol to resurface the skin, treat problematic skin, reduce fine lines, smooth and encourage cellular renewal. The facial comprises of two professional treatment masques combined with carefully selected iS Clinical pharmaceutical grade formulations to optimise results and create a treatment that bridges the gap between a mild facial and an invasive peel.

Cleansing Purity Ritual - Clarifying, Rejuvenating 25 mins £40

Featuring a triple resurfacing system of botanical pharma grade formulations this deep cleansing facial is designed to remove dead skin, encourage cellular renewal and deep cleanse the skin whilst providing essential nutrients and hydration to reveal a brighter and renewed skin surface.

**Foaming Enzyme Optimising
Treatment - Facial Soothing,
Nourishing, Hydrating
30 mins £60**

Designed to revive tired and congested skin, this results driven treatment facial features a powerful Foaming Enzyme Masque system, combining papaya & pineapple enzymes with a potent clinical level grade of glycolic acid. This professional treatment produces a luxurious foaming activity while the bio active ingredients exfoliate and deep cleanse the pores to reveal a polished radiant complexion. A combination of the highest grade pharmaceutical strength complexes and serums are incorporated to reveal brighter, re-energized and tighter radiant skin.

**RF Radio Frequency Vacuum and
Colour Therapy - Radio Frequency
Facials
60 mins £65**

RF Face is a revolutionary treatment that can be used to lift, tighten and tone the contours of the face and neck. It combines Radio Frequency technology, with Vacuum Suction and Chromotherapy to give the ultimate in anti-ageing facial care

How does it work?

By applying RF energy to the skin it produces heat to waken up the lax collagen fibres. Heat penetrates into the dermis deeply until it reaches the surface of the muscular fascia where it stimulates collagen to stand to attention and in turn improves elasticity and lack of firmness obtaining a lifting effect.

Commit to a course of 10 treatments, and achieve the best results possible. £520 (1 per week).

Crystal Clear COMCIT Facial Treatments

COMCIT™ is: Cryo Oxygen Microchannelling Collagen Induction Therapy. It is the most effective and advanced skin rejuvenation system yet, because it offers four simultaneous modes of action all designed to stimulate Collagen production.

1. Cryo-Oxygen

Freezing cold oxygen is introduced into the skin in order to energise and invigorate.

2. Microchanneling Roller

Creates tiny pathways in the dermal-epidermal junction; kick starting a positive healing response.

3. Topical Infusion

Active rejuvenating ingredients are delivered deeper into the skin layers via micro-channels allowing focused penetration of key ingredients tailored to promote collagen production at a cellular level.

4. Oxygen Infusion

The perfect way to replenish the skin and restore hydration – “A healthy and radiant skin is a breathing skin, where oxygen exchange between the cells functions perfectly.”

COMCIT Frozen Facial

60 mins £65, course of 10 £550

1 per 2 weeks

The most effective and advanced skin rejuvenation treatment yet, tackling lines, wrinkles and pigmentation. Using cryo-oxygen and micro Needle rollers to infuse the skin with a potent active infusion serum, tailor maid to tackle the concerns of ageing skin and stimulate collagen production while plumping and firming the skin. Treatment is finished with the application of a Crystal Clear mask, providing an extra hit of hydration.

H2OGlow Facial

60 mins £59, course of 10 £490

1 per 2 weeks

THE CELEBRITY FAVOURITE RED CARPET/PARTY FACIAL

Crystal Clear's most intense hydration treatment yet, giving red carpet ready results. The H2O Glow facial delivers freezing cold oxygen throughout the epidermis to nourish and invigorate skin cells, while the COMCIT roller allows plumping and re-balancing the skin from the inside out. The result is brighter, fresher, hydrated skin that glows with a youthful radiance.

IPL Skin Rejuvenation

IPL, which stands for Intense Pulsed Light has an excellent track record in effective treatment of sun damaged skin, including reduction of redness, pigmentation, open pores, texture, collagen boosting and improvement of lines & wrinkles. Russian Lashes

Also known simply as volume lashes, we're going for volume rather than length by applying two to eight extensions onto one single natural eyelash, known as the feathering technique. We use only super fine extensions, typically 0.05mm to 0.07mm diameter that won't damage your natural lashes. The final look is a soft, fluffy and lush lash look that will transform your entire appearance. Russian eyelash extensions are easy to maintain, with the weight distributed evenly so you barely notice them.
